

#### To School Patrons.

State Superintendent H. A. Gass will accept our thanks for a cloth-bound copy of the late School Laws. At his request we publish the following new sections for the benefit of our readers:

Section 10776 provides that every district in the State shall maintain an eight months' school term if a levy of forty cents on the hundred dollars' valuation, together with the cash on hand and amount received from public sources, is sufficient therefor. The penalty for failure to comply with this requirement is forfeiture of the district organization. The same section provides that any district with fewer than twenty-five children enumerated may arrange from year to year for transporting children to other districts, paying tuition and transportation out of district funds.

Section 10822 provides "that no school district which fails to levy a tax of forty cents on the hundred dollars' assessed valuation, unless the assessment of a less amount, together with moneys received from public funds, shall amount to \$350 for school purposes (teachers and incidentals), shall receive any part of the public moneys." The same section provides that no district failing to maintain an eight months' term, if a levy of forty cents together with the public funds is sufficient therefor, shall be entitled to any of the public funds. Every district in the State must make a levy of 40c unless a smaller levy will produce \$350.

Section 10846 provides that any district in the State with not less than nine square miles of territory, with an assessed valuation of forty thousand dollars or less, and that has an enumeration of at least twenty-five pupils, may receive sufficient money from the State to enable it to maintain an eight months' school term provided it levies 65 cents for school purposes.

Section 10861 provides that the teacher's wages for the last month can not be paid until term reports have been filed with the clerk of the board and county superintendent.

Section 10889 provides that boards of education in cities and towns may establish free night schools and make rules and regulations governing them.

Section 10896 provides that school children shall attend at least three-fourths of the term in the district in which such children attend.

Section 10906, providing for instruction in physiology, has been changed so as to require instruction in the causes and prevention of tuberculosis.

Section 10944 provides that certificates may be revoked for failure on the part of the teacher to carry out his part of the contract, i. e., quitting the school without the consent of the board.

#### BREEDERS, ATTENTION!

I will have at my barn in West Jackson, for breeding purposes for the season of 1910, the best bunch of Jacks and Stallions I ever owned. Anyone interested will do well to come and see my stock before breeding elsewhere.

Respectfully yours,

W. F. SCHADE.

THE ORIGINAL LAXATIVE COUGH SYRUP  
KENNEDY'S LAXATIVE  
HONEY AND TAR

#### Route 4.

The weather has been rather nice for the past few weeks; everybody getting ready to plant corn.

George Loos sold two fine horses last week.

Mrs. Albert Borgfield has been very sick.

Mr. Szechille was seen again this year sowing oats with his new machine, the old buggy without a top.

The party at Martin Borgfield's a few weeks ago was well attended, and all had a fine time. Present were Misses Ida and Cora Koechler, Dora and Ida Szechille, Grace and Lillie Anderson, Meta and Lena Loos, Minnie and Lena Koechig, Ida Sievers and Cora Walters; Messrs. Aug. Koechig, Martin Williams, William Schoneber, Adolph and Edwin Willa, Robert Goza, Arthur Loos, Arthur and William Ruchlaver, Henry Koechler, Henry Hoffman and Henry Sachse.

Mr. and Mrs. Henry Puchbauer were visiting their daughter near Dutchtown.

Martin Wilhelm is working for Judge Sievers.

Mrs. D. T. Sawyer and children were visiting Mr. and Mrs. Henry Borgfeld last week.

#### To Paralyze Chicken Lice.

Editor Herald:

Will give you a simple and cheap remedy with which to get rid of chicken lice and mites.

Make a strong brine and apply it hot. Put it on the perches and on all nests and boxes—in fact, give all wood a good sprinkle. Get the cheap-grade salt. Wash-pot best to heat brine in. Be sure you get brine strong, and use bucket, cup or dipper to get it on all the wood about the hen-house, and you won't be bothered with the pests any more.

C. BROWN.

#### Saved a Soldier's Life.

Facing death from shot and shell in the civil war was more agreeable to J. A. Stone, of Kemp, Tex., than facing it from what doctors said was consumption. "I contracted a stubborn cold" he writes, "that developed a cough, that stuck to me in spite of all remedies for years. My weight ran down to 130 pounds. Then I began to use Dr. King's New Discovery, which completely cured me. I now weigh 178 pounds." For Coughs, Colds, LaGrippe, Asthma, Hemorrhage, Hoarseness, Croup, Whooping Cough and lung trouble, its supreme. 50c, \$1.00. Trial bottle free. Guaranteed by all druggists.

During the month of February the Vital Statistics Commission reported to headquarters in this State 4,934 births and 3,857 deaths. The report has been very satisfactory for a beginning under the working of a new law.

#### IT'S YOUR KIDNEYS

Don't Mistake the Cause of Your Troubles—A Jackson Citizen Shows How to Cure.

Many people never suspect their kidneys. If suffering from a lame, weak or aching back they think that it is only a muscular weakness; when urinary trouble sets in they think it will soon correct itself. And so it is with all the other symptoms of kidney disorders. That is just where the danger lies. You must cure these troubles or they may lead to diabetes or Bright's disease. The best remedy to use is Doan's Kidney Pills. It cures all ills which are caused by weak or diseased kidneys. Jackson people testify to permanent cures.

John F. Volkert, of Jackson, Mo., says: "I highly recommend Doan's Kidney Pills in view of my experience with them. I suffered severely from backache a few years ago, and at times found difficulty in getting around. When I heard about Doan's Kidney Pills, I immediately procured a box, and, although other remedies had failed to help me, they promptly relieved my trouble."

For sale by all dealers. Price 50 cents. Foster-McBourn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and know no other.

#### Public School Roll of Honor.

Below will be found a list of the pupils of the Jackson Public Schools who deserve honorable mention for the month of March. The requirements are: perfect attendance, excellent deportment, and an average of 90 per cent. in scholarship.

##### HIGH SCHOOL.

Sloan Oliver, Principal.

Sixth Grade—Etta Wade.

Seventh Grade—Mabel Henderson, Irene Cravens, Josie Racy, Mary Cravens, Grace Eulinberg, Abe Hicks, Mary Wade.

Eighth Grade—None.

Respectfully,  
J. H. GOODIN, Supt.

Will your watch keep ship's chronometer time?

South Bend Watches, carried upon long sea voyages and protected only by an ordinary watch case, exposed to every variation of position, temperature and the incessant vibration and roll of the ship, keep perfect time, second for second, with the carefully adjusted and accurate chronometer which every sea going vessel is compelled to carry.

These are used by the most famous travel agencies, and are found on any of the great ships and boats of the world.

For sale by all dealers. Price 50 cents. Foster-McBourn Co., Buffalo, New York, sole agents for the United States.

# 10 Bushels More

to the

## Acre

WITH

## Sattley's NEW WAY PLANTER

You can change the Drop  
instantly to 2, 3 or 4

by merely "a touch of the toe"—without changing plates, or even stopping the team.

This enables you to regulate the drop according to the varying conditions of the soil wherever you are planting, the only possible way to secure "more corn per acre." Doesn't it sound good to you?

We will deliver machine to Jackson, if preferred.

AND HERE'S SOME MORE!

The forks operate with an entire revolution,—no strain on the wire, no friction on the buttons, no wear on the forks.

The footlift is operated entirely by the feet,—you never have to set the depth lever but once.

You ought to see a New-Way before you buy a planter.

## TAYLOR & MASTERSON BROS.

Cape Girardeau, Mo.

# SECOND Announcement

We are pleased to announce that the New Model No. 8 American Typewriter has been in the hands of the public for the past year and has proved a complete success.

It embodies all the strong features of the Model No. 7, which for five years has demonstrated beyond question that a standard high grade typewriter can be produced at a reasonable price.

It certainly will pay you to test this typewriter before paying a higher price.
